

HERE ARE A FEW TIPS WE WOULD LIKE TO PASS ALONG TO YOU:

- Our trucks leave at 4:30 A.M. Monday-Friday, please place your can out by 5:00 A.M. on your scheduled pickup day.
- The time of day you are picked up can vary due to inclement weather, substitute drivers and the number of additional stops added to the route during peak seasons.
- All cans must be placed near the main road for pickup.
- Cans are to be no larger than 32 gallons unless they are NVSS rollcarts.
- 32 gallon cans should not weigh over 60 lbs. per can due to manual lifting and OSHA Regulations.
- Cans cannot be lifted from can holders that are more than 24 inches high.
- Water will increase the weight of your can! Keep lids tight!
- No hypodermic needles or medical waste can legally be placed in garbage cans!
- No paints, oils, stain, and other HHHW.
- Extra cans are defined as anything outside of your 32 gallon garbage can; in a can, box or bag.
- Bag packing materials that will blow out when being dumped (styrofoam, paper, popcorn, peanuts).

NESTUCCA VALLEY SANITARY SERVICE

can meet your needs for household clean-outs, remodeling and construction projects, too! We have multiple container sizes to do your job quickly and efficiently as well as being safe and friendly for our environment.

PLEASE NOTE:

For "On Call/Count Can" customers: We must be notified in advance for scheduled pick ups. No can will be emptied without prior arrangement through our office by an authorized person on your account.

For rental homes: Payment is the owner's responsibility. Renters' default accounts will be charged to the property owner.

Payment for service is required by the 15th of each month. Accounts with sixty day balances will automatically be stopped and a \$20.00 restart fee will be added to the balance due in order to resume service.
